NEWSLETTER OCTOBER 30

TERM 4 Week 4

STANDOUT STUDENT AWARDS

This week's Standout Student awards go to Tesha Lasham for steady improvements in Maths, Chilli Bath for showing kindness and support to others, and Jaxon Javens for enthusiasm and participation in environmental activities. Well done!!

COMBINED ACTIVITY DAY

It was great to catch up with the students and staff from Goolma and Wollar on Tuesday for our activity day. The day was coordinated by Sue Clarke, NetWaste Environmental Learning Advisor. She showed teachers the wonderful new teaching kits that will arrive in the schools early next year, that cover environmental topics including recycling, reducing waste, the use of worms and the importance of reducing our carbon footprint.

She also ran a student workshop about litter. Students interacted with each other and worked together in bigger groups which enabled some very pleasing results.

Days such as this provide very valuable opportunities for students to learn with different presenters and groups.

Our school captain Scott did a fabulous job of presenting Sue with a thank you gift (wrapped in recycled paper!)

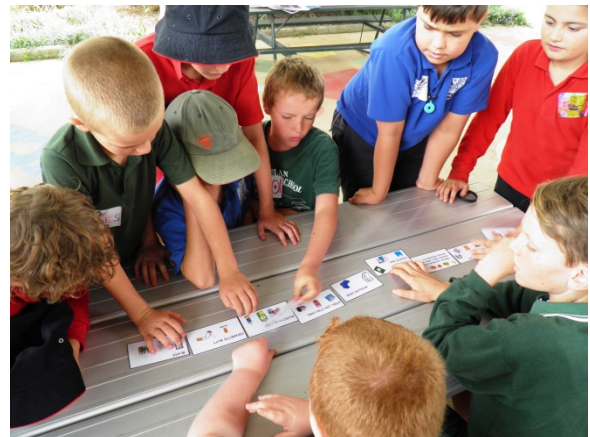

MELBOURNE CUP ACTIVITIES

Tuesday is Melbourne Cup Day and students will be participating in a variety of fun learning activities during the day.
