Next Thursday the older Primary students in Years 4,5 &6 will be attending a special presentation by author Emily Rodda at Cudgegong Valley PS at 12pm. Students are currently learning about books written by Emily Rodda. Travel will be provided by staff. However if parents are available to assist with transport their help would be gratefully accepted. Please complete the attached note and return it by Wednesday. Students will leave at recess and return for the afternoon bus.

#### **PLAYGROUP SESSION**

Thursday's Playgroup went very well with six children attending for the morning's activities. We are looking forward to next week's session which will be from 9.30am on Thursday.

#### **JEANS FOR GENES**

Once again we say a big thankyou to our small community for the response and support for Jeans for Genes Day. A total of \$41 has been donated to the Children's Medical Research Institute. Well done!!!

#### **MID-WESTERN REGIONAL LIBRARY**

Staff from Mudgee Library conducted an information session for teachers about some exciting new technology initiatives that are available through the Library. Students are able to access an extensive range of learning resources using computers and tablets.

We are very keen to trial some the materials being offered but students require their Library card number that they use at either Mudgee or Gulgong Shire Library. Library staff are also available to run an information session for families.

A return note is attached so we can get the necessary information to organise cards for students. Please complete and return it as soon as possible. Thank you.
