GARDEN

Today the students looked at the growth of the veggies in the garden. We are having great success with the beetroot, celery, silverbeet and red onions. Next week we plan to plant our tomatoes.

CHICKEN NEST BOXES

On Wednesday afternoon students had the opportunity to help Deak make nest boxes for our chooks which they thoroughly enjoyed! The nest boxes are for our chooks to have somewhere comfy to nest in, and will go in the chook pen that has recently been finished. Students were excited to get to use the drills to screw the nest boxes together. While some students were drilling, the rest of the students were sanding down the next pieces of wood to be

used. Students can't wait to get the chooks back and see them in their new pen.
