INTENSIVE SWIMMING LESSONS

All students deserve praise and recognition for their efforts in all swimming and water safety activities. This year's intensive sessions have resulted in improvements in skills and confidence that are most impressive. The students displayed a willingness to challenge themselves and were rewarded with wonderful gains, with every student displaying the confidence to complete tasks in the deep end of the big pool.

We are very fortunate to have such dedicated instructors to work with our students. Thank you Miss MacLean, Mrs Wilson and Mrs Ungaro!!!
