TERM 2 Week 1

STANDOUT STUDENT AWARDS

The Standout Students for this week are all our students for their fantastic efforts in conducting the ANZAC ceremony.

They all contributed with enormous pride and respect which was reflected in the success of the ceremony.

ANZAC CEREMONY

We are extremely proud of our students for their incredible efforts in today's ANZAC Ceremony.

All students wrote and confidently delivered their personal thoughts about ANZAC Day as part of the ceremony.

Visiting guests and parents were glowing in their praise of every student.

Special mention must be made of our 'Master of Ceremonies', Scott White for his tremendous effort in coordinating the ceremony.

It was also wonderful to see the senior girls, Bella, Stephanie and Chloe supporting the younger students.

It was a truly lovely and moving ceremony. Well done!!
