TERM 2 Week 2

STUDENT CHOICE AWARDS

This week we are making our first Student Choice Awards. These awards are given to acknowledge student efforts in our 3Rs program. The 3Rs are *Rights, Respect & Responsibility*. Students have been discussing the importance of the 3Rs and will nominate class members who deserve recognition for their efforts with the 3Rs program. This will be done using a secret nomination outlining the behaviours and will be published each week in the Newsletter. Our first awards go to Luke Fay for being very helpful and respecting others, congratulations Luke.

STANDOUT STUDENT AWARDS

This week's Standout Students are Matthew Boswell for his enthusiastic and positive attitude to all school activities and to Tesha Lasham for improved concentration in Literacy and Numeracy tasks. Well done!!
