TERM 3 Week 8

3 Rs STUDENT CHOICE AWARDS

This week's 3Rs Student Choice Award goes to Scott White for being a fabulous school leader and role model. Scott continues to support all the students and the Preschoolers in a most positive and kind way.

Great effort!! Well done!!

STANDOUT STUDENT AWARDS

This week's Standout Student awards go to Lily Knowles for increased efforts with concentration and confidence in Literacy and Numeracy tasks, Matt Boswell for pleasing efforts with maths, reading and handwriting, and Scott and Stephanie White for improvements using complex sentences and applying them in creative writing.

Keep up the great work!!

BOOK WEEK DRESS UP DAY

We had a fabulous rollup of wonderful book characters on Thursday.

Students, Playgroupers and staff thoroughly enjoyed the opportunity to dress up.

Activities included students giving a brief talk about their chosen character, and listening to the award winning story of "Biggy" and then completing illustrations from the story to create a story board.

It is fantastic to see the enthusiasm and involvement of families and community members in school events.

A great effort!!

PRIMARY CYBER SAFETY

The Primary students have been broadening their knowledge of online safety this week.

Miss MacLean has assisted each student to create an online account with a program Budd:e which gives them the opportunity to work through activities individually.

Each of the activities raises awareness of cyber security related issues and demonstrates the best ways to deal with them.

Budd:e Cybersecurity Education is part of the Australian Government Cybersecurity initiative aimed at creating a safer, more secure online environment for Australian children.

POPCORN DAY

Wednesday is Popcorn Day.

Popcorn is 50 cents per bag and orders are taken on Wednesday morning..
