NAIDOC DAY

We had a great day at Goolma on Tuesday with our students displaying impressive behaviour and enthusiasm in all of the activities.

The indigenous games proved to be the most popular activity with all students thoroughly enjoying themselves.

It was pleasing to see how well our students interacted with the other children.

As the senior student on the day, Bella Knowles did an impressive job of thanking Mrs Charlton for organising such a great day.

GREEN DAY

The Year 5 & 6 students report that this year's Green Day was the best one so far!

Their favourite activities included learning about weeds and making tomato sauce.

DABEE STORIES EXHIBITION

We are currently hosting the travelling exhibition "Dabee- Mudjee Stories" that shares the history and culture of the Wiradji people.

The exhibition is set up in our school library and consists of ten panels of photos and information about aspects of aboriginal culture.

There are also six cases containing artefacts. Parents and community members are most welcome to view the exhibition over the coming weeks, during school hours.

POSITIVE PARTNERSHIPS WORKSHOP

A free one day workshop is being held at Dubbo RSL Club on TUESDAY 13th September from 9.15am-3pm.

The workshop focuses on the impact of autism on learning, and will provide practical resources to support families.

This is an excellent initiative that is supported by the Department of Education and Communities and comes highly recommended to help families to manage autism and anxiety related behaviours.

A flier is attached with registration details etc.
