NEWSLETTER October 27th

TERM 4 Week 3

3 Rs STUDENT CHOICE AWARDS

This week's Student Choice Award goes to Bella Knowles for being kind and helpful to other students. Great Effort!! Well Done!!

STANDOUT STUDENT AWARD

This week's Standout Student Award goes to Marney Rogan for wonderful work in writing.

READING LOG AWARDS

There had been lots of great home reading by our students recently. It is great to see Elsie, Marney and Ashlee reaching the next level in their Log Books. Equally exciting was the news that Bella has completed her Reading Log for 2017. Other than the love of reading that comes from reading more and more, Bella was able to choose a novel to keep in acknowledgment of her efforts.

Congratulations to all of these students.

CANBERRA EXCURSION

Thank you to those families who have paid part or all of the Canberra excursion money. With only a week to go, it is important that all families make the necessary payments. Please return the medical note that was sent with last week's newsletter ASAP. Remember to complete a medical form for each student attending the excursion.

SCHOOL PHOTOS

School photos were taken last Tuesday morning. Thank you to all families for your prompt payments. Photos will be sent home once we receive them later this term.

HEAD LICE

Please be vigilant where head lice are concerned. The best way to do that is to regularly check your child's hair. It is important that all lice and eggs are removed from the hair. If you suspect or find head lice, please treat your child's hair making sure you comb out all lice and eggs. The school has a supply of Head Lice treatment shampoo available if needed.

THANK YOU

Thank you to everyone who came along yesterday for the morning tea. It was a really lovely sentiment and I truly appreciated the flowers and chocolates. This year has been a fantastic learning experience for me and to all of those who have supported me in any way, thank you. I would like to especially thank Mrs Lewis for her kind words and support, and for helping me navigate some of the LMBR learning. It has been a huge year of change in regards to the way school finance operates. It has been very challenging, made all the more so as I was wearing my own L plates.

I would also like to thank Mrs Ungaro and Deak for the help this year.

I know just how thrilled everyone is that Mrs Riley is returning especially given she will be joining you all for the excursion. Enjoy!

Finally to all of the students here at Ulan - thanks for letting me spend time doing the only thing I know how, teaching. We have done some wonderful things this year including seeing Diary Of A Wombat, entering artwork in the CLC Art Show, creating an entry for Sculptures in the Garden for the first time, learning the Djembe and performing at the Small Schools Eisteddfod as well as some great learning.

Teaching is what I do, and I do it, like I do most things with lots of passion and drive. I hope that at some point you can think back to something positive about my time at Ulan and smile. Might be a Mrs Endacottism that the kids have picked up(there are a few... sorry!), might be a love of reading, might just be when you look at the artwork we did together but I hope you smile. At the end of every year, regardless of whatever class I teach I like to share a little quote, it kind of sums me up. It's not the end of the year just yet, but I'm going to share anyway.

"Go confidently in the direction of your dreams;
Live the life you've imagined!"
Thoreau

Thanks
Mrs Endacott
