PRESENTATION NIGHT

Our Presentation Night is on Thursday 14th December in the Library at 7pm.

Please pass on the attached invitation to family or community members so they can join us to celebrate our achievements of 2017.

Families are asked to bring a plate of goodies to share for supper.

SWIMMING LESSONS

Students have made some very significant gains during the ten days of Intensive Swimming Lessons.

The focus on water confidence and safety has resulted in students showing improved skills and understanding of floating, treading water and breathing.

The opportunity for students to develop skills and confidence through the two weeks of lessons is a great start for the summer swimming season.

HEADLICE

Please continue to check for any signs of headlice. Students can return to school after their hair is treated to remove lice and eggs. If you need any advice or treatment, please contact the school.
