Sculptures InThe Garden is an exciting not for profit event that showcases Australian sculptures in a beautiful rural setting within a private garden and vineyard in Mudgee NSW. Entry into the event is just \$5.00 per person and goes to Guide Dogs NSW/ACT. Children are welcome to attend for free. The event is on Saturday 7th & Sunday 8th October 2017 from 9am to 4pm both days.

SIGNIFICANT AUSTRALIAN RESEARCH PROJECT

Well done to Bella, Chloe and Jaxon on their wonderful presentation last Monday. At the beginning of the term they were set with the task of researching five significant Australians. They had to research each of them, produce a written report about them, put together a PowerPoint and speech which they then presented last Monday. It was a big task and it took great dedication, persistence and perseverance to get it completed. The final part of the project was for each student to rank the five Australian in order of importance, justifying their reasons.

SMALL SCHOOLS EISTEDDFOD

Congratulations to all of our students who attended the Small Schools Eisteddfod on Wednesday. How exciting that we placed third in the music section!

Each time we have rehearsed at school, Ashlee joined in the drumming circle with the percussion instruments and danced to the rhythm we played. The highlight of my day was seeing Ash do just that on stage.

Well done to everyone, it is always a huge event when children perform on stage and we had to wait very patiently for our turn. I was so very proud of everyone.

Photos of our performance can be seen on our FB page.

EARN & LEARN

Thank you to everyone who collected Earn and Learn stickers for us this year. We have almost 4000 points to spend on school supplies!
