LMBR

A huge thank you and congratulations to Mrs Lewis for sorting and completing the financial rollover and readiness for LMBR to go live next week. This has been a monumental amount of work and she has worked tirelessly to make it happen.

MEN @ SCHOOL DAY

Thank you to everyone who attended the Men @ School day today. I trust you all enjoyed the time with your children, they certainly enjoyed the opportunity.

Check out the photos on our Face Book page.

CANBERRA PAYMENTS

Thank you to the families who have already begun making regular payments for the Canberra excursion. Mrs Lewis and I have spent some time this morning discussing how the changes with LMBR will affect payments. For ease of collection this year, we ask that payments are made in cash. You can pay the full amount the week before the excursion or make regular payments each week between now and the excursion date.

MOBILE SCHOOL DENTIST

We recently received information regarding the opportunity to have a Mobile Dentist visit the school. As we receive further information about when it is expected we will let you know.

ANZAC MEMORIAL CENTENARY PROJECT

To commemorate the ANZAC Centenary, artist Fiona Hall has been commissioned to create an artwork for the ANZAC Memorial in Hyde Park. The artwork will include a plaque for every town, suburb and locality around NSW that enlistees for the First World War gave as their place of address. She has asked that a sample of soil be collected from each of those areas to be displayed alongside the place name. As Ulan was one of the localities, we have been invited to take part in the project. We need to collect a soil sample and return it to the project later in the year.
