NEWSLETTER 25th October 2019

TERM 4 Week 1

BUSHFIRE SEASON

Just before the holidays I met with two representatives from the Rural Fire Service to discuss our Stay and Shelter procedures in the event of a bushfire near Ulan Public School.

We determined that our library is by far the safest place to stay and shelter if this were to happen.

This is because it is built with more fire resistant materials, is sealed underneath and is sheltered by other surrounding buildings.

It is also reassuring to know that Ulan Public School is also considered a safe community gathering zone for nearby residents and businesses.

The Rural Fire Service said it is highly likely they would despatch a truck to near the school so as they can monitor the school and township.

If we needed to carry out stay and shelter procedures we would communicate to all parents and carers via Facebook, individual text messages, and phone calls where necessary.

In this instance we would strongly advise you not to come to the school to collect your children. This not only puts yourself at risk but also takes up road space from emergency vehicles.

YR 3-6 EXCURSION (Broken Bay Sport & Rec - Nov 19-22) If you have not paid in full then please be aware that Friday 8th November is the due date for the remaining \$50 per child balance for camp.

Also please find attached the itinerary and packing list for camp. Not long to go now!

CAKE DAY

Wednesday 30th October is Cake Day, students can buy cake/slice etc at recess for 20c/50c. The families rostered to donate cakes are Lasham, Milton, Hodge, Birchall.

Is this Science? Or Friday Fun? Probably both knowing Mrs Baker...

SCHOOL PHOTOS

School photos will be taken 6th November. Students need to wear full summer uniform on this day (white shirts & green shorts/skirts). Attached is an order form for families to pay online or put cash in the envelope provided and return to school.
