FROM THE SENIOR STUDENTS

On Tuesday at Ulan Public School we hosted two other small schools, Cassilis and Goolma, for a visit from Maree and Harold in the Life Education van. This was an awesome day of fun and making new friends (**Olivia**).

The first activity we did was robotics. I worked with Sophie from Cassilis. She loved it and was into it and helped me a lot because it was hard. We had to code a course and we made it to the first corner (**Tesha**).

My favourite activity was robotics because they are good. The blue robot's eye is white (**Ashlee**).

The first activity Years 3/4 did for the day was music with Mrs Charlton making rice shakers (**Molly**).

My favourite activity was music because we used djembe and we learned new songs. After a while of playing songs our hands went red (**Luke**).

I can't decide which session was my favourite as the whole day was amazing. I loved every little bit of it. At the start I wasn't sure how my day was going to be, like I thought it was going to be terrible and scary, but I guess I misjudged the day (**Tanhatta**).

POPCORN DAY

This Wednesday is Popcorn Day. Students can order popcorn for 50c per bag. Orders will be taken on Wednesday morning and ready for recess.

CASSILIS CROSS COUNTRY

Students turning 8 this year, and older, will be competing in the Cassilis Cross Country on Friday 29th March. We will travel to Cassilis on our school bus

PLAYGROUP

Remember Playgroup is on Wednesday mornings at 9:30am in the Community Centre. **This wonderful session is for all ages 0-5, not just pre-schoolers.** We hope to see all of the younger members of our UPS families come along for a fun filled morning of activities.

LUNCH ORDERS

Lunch Orders are now available on Wednesday. If you would like a lunch order please return your order and money on Wednesday morning.

Additional parent assistance in preparing lunch orders would be greatly appreciated.

We've put Playgroup and lunch orders on the same day so as parents can take advantage of both and help out when needed.
